

Wentworth Public School Newsletter

9th September 2009

Thank you to all the fathers who were able to attend the morning breakfast. Fathers are a very important family member and contribute to the well being of our students' physical and mental health. So thank you for braving the early morning chill.

School Staffing

Mrs Hopcroft has returned from her leave much refreshed and ready to finalise the planning for the kitchen garden.

Miss Marzie is back on Kinder but will take leave for the last two weeks of the Term. Mr Jeromy Baird will teach KM for the two weeks and finalise the concert item.

Over the past two weeks there has been some difficulty in finding replacement staff. Thank you for supporting the school during this time.

School Painting

We have been approved to have the external buildings painted along with the internal heritage building. This will commence within the next month and has been worked out to cause minimal disruption. The completion of this work will have us set for the 150th celebration and will add a new lustre to the school buildings.

Warren Davies
Principal.
